Sen. Hardiman comments on Red Tape Reduction package passage

June 17, 2004 — Audio comments from Sen. Bill Hardiman, R-Kentwood, are available on the Senate Republicans' audiowire Web page. The package approved today would improve processing deadlines on nearly every permit or license issued to businesses in Michigan.

The Red-Tape Reduction Package is part the Republican JOBS Action Plan for revitalizing the state's economy. The plan specifically targets ways to attract new businesses, save existing jobs and promote a healthier business climate in the state. The bills approved today would affect licenses for new businesses as well as operational permits for current job providers.
